

SURREBUTTAL TESTIMONY OF

ALEXANDRA DEIMLER, CPA

Appearing on Behalf of the Area 2 Milk Dealers

Surrebuttal Testimony before Pennsylvania Milk Marketing Board

Cost Replacement Hearing Based on 2022 Annual Reports

December 6, 2023

## **Surrebuttal Testimony of Alex Albright, CPA**

### **Area 2 – Cost Replacement Hearing**

I am Alexandra Deimler, Consultant at Herbein + Company, Inc. and my address is 2763 Century Blvd., Reading, PA 19610. I am offering testimony on behalf of the Area 2 Milk Dealers. I attach my Curriculum Vitae, as Surrebuttal Exhibit D1, which outlines my education, and experience in the dairy industry.

### **Study Conducted**

On behalf of the Area 2 Milk Dealers, I reviewed the audit files and proposed adjustments prepared by the Pennsylvania Milk Marketing Board audit staff and I reviewed the financial information of each of the dealers in the cross-section and I am presenting my opinion and recommendation based on that review and the Board Staff's anticipated surrebuttal submission.

I have reviewed the cross-section compiled by Board Staff and I conclude that the cross-section is representative of milk dealers serving Area 2 because the cross-section companies process, package and deliver to supermarkets, convenience stores, schools, institutions, and small retail outlets.

In an effort to drive efficiency in the cost replacement process, I am basing my opinion and recommendation on Staff's Exhibits. I recommend that the Board make the adjustments recommended by Board Staff in their surrebuttal submission.

### **Rate of Return**

I recommend that the Board maintain the rate of return for the Area 2 dealers at 3.5%. The rate of return serves as an important factor in the ability of Pennsylvania's fluid milk processors to maintain and invest in their operations. Maintaining the current rate of return is also important for consistency and stability when the fresh fluid milk industry continues to face a difficult business environment.

## **Summary and Recommendation**

The Area 2 Milk Dealers recommend that the Milk Marketing Board make the cost replacement adjustments that I have just outlined. Thank you for your consideration of my analysis and opinions.
