BULLETIN

**TERMINATION OF MEMORANDUM OF UNDERSTANDING WITH THE
PENNSYLVANIA DEPARTEMENT OF AGRICULTURE REGARDING
WEIGHER/SAMPLER FIELD EVALUATIONS**

Due to ongoing budget and personnel constraints, the Board is no longer able to assist the Pennsylvania Department of Agriculture with its field evaluations of bulk milk weigher/samplers. The Board has terminated its memorandum of understanding with the Department and will no longer assist the Department with field evaluations effective July 1, 2021.

The Board will continue to issue the certifications required by the Milk Marketing Law. The Milk Marketing Law certification requires passing a written examination at the time of initial application followed by annual completion of a renewal application.

Weigher/samplers cannot pick up farm milk in Pennsylvania unless they hold a certificate/license issued annually by the Board. Milk haulers should ensure that their weigher/samplers hold a current Board certificate/license before picking up milk at farms.

Questions regarding weigher/sampler field evaluations conducted pursuant to Pennsylvania Department of Agriculture regulations should be directed to the Department at ra-agmilkprogram@pa.gov.

Questions regarding Board certifications may be directed to ra-pmmb@pa.gov or 717-787-4194.

Additional information may also be found on the Board website at <https://www.mmb.pa.gov/Licensing/Weigher%20or%20Sampler/Pages/default.aspx>.
