On September 19, 2019, the Board issued an order granting a joint request from the Pennsylvania Association of Dairy Cooperatives (“PADC”) and the Pennsylvania Association of Milk Dealers (“PAMD”) to continue the proceedings to allow time for documenting a potential compromise. That order provided that PADC and PAMD would serve the interested parties and the Board with the proposed compromise by October 8, 2019.

On October 8, 2019, the Board received a new joint request from PADC and PAMD to extend the deadline to serve the proposed compromise to October 22, 2019.

The request is granted.

PADC and PAMD will serve the interested parties and the Board with the proposed compromise by October 22, 2019.
