Re: Cooperative Procurement Cost hearing
Joint Motion to Enlarge Deadline

Dear Chairman Barley and Members of the Board:

On September 11, 2019, the Board granted PADC and PAMD's request to extend the deadline for serving the proposed compromise until September 20, 2019. PADC and PAMD now find it necessary to request an additional extension of that deadline until October 8, 2019.

This additional extension is necessary in order to give all interested parties time to review and evaluate the proposed compromise; and to enable PAMD and PADC to be responsive to requests for explanation of and information regarding the proposed compromise.

We have notified counsel for the interested parties of this request and all counsel have stated they have no objection.

Respectfully submitted,

Marvin Beshore, Esquire
