

April 19 parking information

The attached map shows the Agriculture Building, the Environmental Protection Building, and the overflow parking area in the Commonwealth Technology Center parking lot.

There are approximately 20 visitor spots and six disabled parking spots in the Environmental Protection parking lot.

- Do not park in any spot not marked as a visitor spot, unless you have a disability parking placard or a disability registration plate in which case you may park in any disabled parking spot.

The overflow parking area is at the far northern end of the Commonwealth Technology Center parking lot. There is an approximately 50 foot long narrow gravel trail connecting the overflow parking area to the Environmental Protection Parking lot (shown on the attached map). It is about a three-minute walk from the overflow parking area to the front door of the Environmental Protection Building.
