To the Members of the Pennsylvania Milk Marketing Board:

The Pennsylvania Food Merchants Association (PFMA) accepts the recommendations set forth in the proposed testimony of Gary Gojsovich:

Board staff recommends that the Board replace the in-store handling costs currently being used in each PMMB area for Retail pricing with those per column D (“Weighted In-Store Handling Costs per Unit (updated to NOV-2022)” of the corresponding Staff Exhibits. Staff further recommends that these in-store handling numbers be adjusted monthly using the CPI-U as part of the Resale Priceday process which is consistent with current practice.

Accordingly, PFMA will not be calling any witnesses or presenting any witnesses.

PFMA preserves the right to challenge the methodology utilized by Mr. Gojsovich in this or any future proceeding.

Thank you.
