DATE: October 31, 2023

SUBJECT: December 6, 2023, Over-Order Premium Hearing
Room change
Parking information

TO: Interested Parties

FROM: Robert N. Barley
Chairman

The December 6, 2023, over-order premium hearing will be held in the Department of Environmental Protection Building, 909 Elmerton Avenue, Harrisburg, in Hearing Room A.

December 6 is an all-staff day for DEP so there will be no parking for the hearing in the DEP parking lot. Parking for the hearing will be at the Commonwealth Technology Center, 1 Technology Park, Harrisburg. Detailed parking information is attached.

December 6 parking information

The Department of Environmental Protection has asked us to not park in their parking lot. December 6 is an in-office day for DEP staff and there will be no parking available in the DEP lot for the hearing.

There are six disabled parking spots in the DEP lot. You may use one if you have a disability parking placard or a disability registration plate.

The attached map shows the Agriculture Building, the Environmental Protection Building, and the parking area for this hearing (circled in red) in the Commonwealth Technology Center parking lot.

The parking area is at the far northern end of the Commonwealth Technology Center parking lot. There is an approximately 50 foot long narrow gravel trail connecting the overflow parking area to the Environmental Protection Parking lot (the trail is shown in red on the attached map). It is about a three-minute walk from the overflow parking area to the front door of the Environmental Protection Building.
